TO H.N.C. **STUDENTS**

My three years here have been the best of my teaching career. I feel a real attachment to this school and cummunity even though I don't live here. You students have such a great opportunity to make your county, state, and nation a better place for yourselves and your children. I thank God that I can play a small part in this by touching your lives in the classroom, corridors or campus of HNC. I urge you to take advantage of every apportunity that comes your way. Study and think and become a productive citizen. Make your mark on this world by leaving it a better place than you found it.

God bless you all and I LOVE YOU!!! Betty Allen

IN MEMORY OF

He Is Not Dead

I cannot say, and I will not say That he is dead. He is just away. With a cheery smile, and a wave of the hand, He has wandered into an unknown land And left us dreaming how very fair It needs must be, since he lingers there. And you — oh, you, who the wildest yearn For an old-time step, and the glad return, Think of him faring on, as dear In the love of There as the love of Here. Think of him still as the same. I say, He is not dead — he is just away.

We're Hancock Bank.

In 1899 a group of 19 businessmen sat down to organize the first bank on the western Mississippi coast. They had in mind a bank that would be willing to put faith in the individual. One to work side-by-side with local families to help the young Gulf Coast grow. They founded the Hancock Bank.

Since those days, Hancock Bank has grown to become the Coast's largest

locally owned bank. But we haven't changed that original philosophy.

From helping early shop keepers purchase their first inventiones. To multimillion-dollar developments along our industrial seaway. We're still working to serve the individual family and business intensits in our area.

interests in our area.

We're Hancock Bank. The only bank you'll ever need.
